EVERGREEN NURSERIES

SPRING 1941

The Kallay Bros. Co.

Painesville, Ohio

Office: Cor. Madison Ave. and Bowhall Rd.

Phone 5662

**For Nurserymen, Florists, Dealers
and Landscape Architects**

Conditions of Sale

Prices herein listed cancel all previous lists, and are subject to change without notice.

Terms

Prices herein listed are F. O. B. NURSERY AT PAINESVILLE, OHIO. To those with established record for promptness, or with satisfactory references, we shall be pleased to extend our regular term of 30 days from date of invoice. 2 per cent discount will be allowed if paid within ten days, or 3 per cent discount for cash in full with order. All orders for C. O. D. shipments must be accompanied by at least one-third of the amount of the order so as to insure acceptance upon arrival.

Price Quotations

PRICE QUOTATIONS are made for immediate acceptance, subject to prior sale, and to stenographic, typographical errors, or omissions.

Guarantee of Genuineness

We cannot guarantee any trees, shrubs and plants sold by us, other than that they are true to name, and free from any injurious insect or disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise. Any and all such trees, shrubs and plants are sold upon the express condition and understanding that should any of them prove to be otherwise, we shall not be held responsible for a greater amount than the original price paid, and all orders booked are based on the distinct understanding that the purchaser agrees to the conditions as herein outlined.

Claims

All orders accepted by us are booked on conditions that they shall be void should injury befall the stock from frost, fire, hail storm or other causes of whatsoever nature over which we have no control.

All claims of whatsoever nature must be made within 10 days after receipt of the stock. Claims should be made promptly within the time limit specified, and in writing.

Plants become your property upon delivery to the transportation company, and we cannot be responsible for loss, damage, or delay in transit.

Carloading

We have a railroad siding on our own property, and are equipped to load cars to all points promptly and without unnecessary extra handling of stock.

Explanatory Notes

Figures following names throughout this list indicates in feet the approximate height of the plant at maturity.

The botanical and common names herein used are in conformity with the "Standardized Plant Names" which is the accepted authority on the plant nomenclature in the horticultural industry.

Our grading standards are based on a schedule which has been accepted and adopted by the American Association of Nurserymen.

Balling of Deciduous Stock

All items herein listed "B. & B." will be balled and burlapped, and the cost thereof is included in the prices herein listed.

Deciduous stock listed bare roots may be balled at the option of the purchaser, and a schedule of cost of balling such deciduous stock will be found on the inside back cover.

Packing Costs

When L. C. L. orders are placed for shipment by common carrier, there will be an additional charge made for packing. A schedule of packing prices will be found on the inside of back cover.

U. S. Patent Laws

The Truehedge Columnberry is protected by Plant Patent No. 110 under the U. S. Patent Laws. Asexual reproduction or disposition by sale, gift or otherwise, of scions, buds, or cuttings for such reproduction is prohibited unless license is previously obtained from the patent owners. Unauthorized reproductions, sale, or distribution of propagation material of this plant will subject the one engaging in the same to prosecution for infringement. For resale at Retail Only except under license from the patent owners.

The Kallay Bros. Co., Painesville, O.

Juniperus Pfitzeriana Kallay's Compacta 4 ft.

A new, compact pfitzer juniper developed by us regarding which a foremost landscape architect and horticultural writer wrote as follows:

JUNIPERUS pfitzeriana Kallay's compacta is an evergreen that everyone has been looking for. It has all the qualities of the well known Pfitzer's Juniper—light gray green foliage, smoke and disease resistant, perfectly hardy, and easily transplanted. In addition it grows in a compact form. Instead of having irregular broad branches that tend to grow upwards, leaving the center low as the ordinary Pfitzer's juniper, it sends out small regular branches that are full clear to the ground with a full center. As the ordinary Pfitzer's juniper gets old it tends to get leggy. This new variety remains always bushy and compact.

It can be used in formal planting as a globe type of evergreen, as a hedge, or in informal planting as a facer to higher evergreens or deciduous planting. It is an excellent evergreen for house foundation planting or in masses for park effect. It is the favorite Pfitzer's juniper plus."
